

NORWICH INTEGRATION PARTNERSHIP OPERATIONAL RESPONSE TO COVID-19 15/05/2020

New Routes Integration | English+ | The Bridge Plus+

Services to refugees, asylum seekers, and migrant communities in Norwich during Covid-19 outbreak

All three organisations have now closed premises and are working remotely until further notice. This document explains how each organisation will be working in the coming months to continue to deliver essential services to our shared client group. We will consult closely during this period to avoid duplication and ensure the safety and wellbeing of our clients, volunteers and staff.

Joint activities:

NIP partners have shared funds and are collaborating closely on emergency provision. Participants can request the following support

- Weekly food parcels for all asylum seekers and those with no recourse to public funds (NRPF), provided by the Soul Foundation, delivered by NIP.
- Mobile phone/data top-ups for participants to access English classes and other support, or for those at risk of destitution or in crisis.
- Emergency food vouchers for participants at risk of destitution or in crisis.
- Referrals to Food Banks for participants at risk of destitution or in crisis.
- Monthly cleaning box deliveries to all asylum houses/NRPF households.

The Bridge Plus+

The Bridge Plus+ is focussing on welfare benefits claims and issues, and/or helping clients to contact statutory services (e.g. Universal Credit, DWP/JobCentre, Norwich City Council, Tax Credits etc). Support is provided over the phone and through Whatsapp. Interpreters are available.

Availability and contact:

Mondays to Thursdays, 10am-3pm

For support with urgent cases of welfare benefits, clients or referrers are asked to contact The Bridge Plus+ by

- Whatsapp/phone on: 07717 220209
- Email: office@bridgeplus.org.uk

For help with letters, clients are asked to email or Whatsapp photos to 07717 220209. Where the client is already receiving help from New Routes Integration, or English+, these may be passed on, with the client's consent, to ease pressure on The Bridge Plus+'s services.

The Bridge Plus+ will assist where possible to provide financial aid (vouchers) and/or access to emergency food parcels to those at risk of destitution or in crisis. We will work with our project partners to avoid duplication.

NB all staff are part time. If you cannot reach one member of staff, please try another.
